| S.C.U.B.A. Systems Module | No | No | Yes | 2 | € 240 | € 16 |

As soon as you are a certified diver, you can start your preparations to become a Master Scuba Diver or a Diving Professional. In the above list you find all courses and modules that are required for the levels of **Master Scuba Diver**, **Scuba Guide** and **Assistant Scuba Instructor**. Once you have completed all programmes indicated with "YES", as well as the Scuba Safety & First Aid programme and fulfil the requirements for dive experience, you can address yourself to one of our instructors to complete the application form. Equivalencies for the indicated SCUBA certifications can be accepted, provided they have covered similar content. For some of these programmes, a PADI substitute is available. Ask for details.

If you require rental equipment, it will be charged at €20 per day. An application for Master Scuba Diver is charged €16. Scuba Guide or Assistant Scuba Instructor membership €45/y.

Not Part of Your Career Plan

| Course | Days | Price | Materials & Certification |

| Diving Instruments | 1 | €120 | SCUBA € 50 |

* For Night Diving, the dives take place after dark.

Some courses are not part of the required career path for those who want to become a professional or Master Scuba Diver. Such courses are for personal development and to increase the pleasure you have from every dive you make.

The College offers a selection of such programmes.
